

July 2018

Welcome

What a great couple of weeks of sun we have had! We have been enjoying the hot weather and had lots of water fights to cool off.

Please remember to send your child/children in with hats and sun cream during the summer.

St George's Summer Fair

Thank you all so much for your generous donations and support of our annual Summer fair. We made £1,471.53 and are incredibly grateful for your support. Despite the rain earlier in the day, it was a great success, and we hope those who came enjoyed themselves.

We had the Mayor and Mayoress of Tunbridge Wells come and visit the fair and saw the children having a great time and enjoyed looking at all the stalls.

Nursery News

Squirrels

Squirrels have been making lots of interesting display boards this month. They have been talking about space, fairy tales and princes and princesses. They have also been keeping cool in the hot weather by playing with ice, coloured water and foam.

Moles

Moles have been really into messy play and crafts this month. They celebrated the 100 years of the RAF and had a great activity morning with their parents and families. They decorated biscuits and rolled cars in paint and made pictures with puffy paints. Moles have created a summer board with kites, hot air balloons and a lolly pop stand. Their next theme is 'space'.

Badgers

This month Badgers have been talking about holidays and linking this with their theme of 'transportation' and 'at the beach'.

Badgers staff would like to say a massive thank you to the parents who came to support their sports day and their generous donations. We raised £564!

Little Dragons

Little Dragons have had such a fun year with lots of activities as well as trips to Barnetts Wood and Ashurst Place at Christmas and Easter to sing songs for the residents. They have enjoyed learning about animals including the life cycle of caterpillars, exotic animals with a visit from ZooLab and a trip to Pets at Home. They have all enjoyed playing in the garden and getting mucky in our new Mud Kitchen and more recently water fights on Beach Day and racing and taking part in Sports Day.

School Leavers

St Georges would like to wish the children who are leaving to go to school -all the best for September! We hope you continue to enjoy learning and making friends and hopefully might get to see some of you at Holiday Club in October.

Summer Holiday Club

They have had a fun start to the summer holidays by visiting Grosvenor and Hilbert park and celebrating Hamdy's -our new member of staff's birthday.

Holiday Club have lots of fun trips planned over the summer and are looking forward to learning about conservation and seeing the animals at Hemsley Conservation Centre in Sevenoaks in August.

Kitchen

Over the past month the children have loved picking vegetables from the garden and taking them to Sherrell, Julie and Mary in the kitchen to use in the meals for nursery.

Fundraising

There will be some exciting opportunities coming up with new ways to support St George's very soon. Watch this space to find out more in the coming months. We are hoping to host another Fundraising Quiz this year – more details will follow soon.

Fees

Today we have sent out emails out to bill payers about our new Fee Structure that will come into effect on 1st September 2018. The information can also be found on our website and copies are available from Reception.

Dates for the diary

Holiday Club	25 th July- 31 st August
First Day back for Little Dragons	3 rd September
