

May 2018

Welcome

We have had a busy month here at St George's enjoying the sunnier weather and the start of Summer.

One of our favourite things this month has been celebrating the Royal Wedding. Everyone got into the spirit of dressing up and decorating the building and the children enjoyed lots of activities having a 'Royal Tea Party' in the garden in the afternoon.

Summer Holiday Club

We still have spaces left for Holiday club in the Summer. We start on Wednesday 25th July until Friday 31st August and we are planning several trips. Please come and ask for a booking form in the office or email

kate.foulkes@stgeorgeschildcare.co.uk

Parents Evening

We are holding our annual Parents Evening on Wednesday 20th June. If you would like to talk to your child's Key worker please sign up for an appointment on the sheets in your child's room.

Portrait Days- Children's photographs

Our photographer Matt came in several weeks ago and took some great photographs of the children. The proofs have been handed out and the deadline to return the envelopes to the office is **13th June**.

Nursery News

Squirrels

They have been exploring "Under the Sea" theme looking at sea creatures and doing a lot of painting. Someone bought in shells from the beach and they children have made collages and Squirrels made an inside beach with sand and seashells.

Moles

Moles have had a Bugs and Insects theme and made a colour display board in their room with ladybirds, caterpillars, butterflies and bees.

Badgers

Their theme has been Mini beasts and the children have been discovering all about little creatures and incorporating this into their craft play.

Badgers have also been learning and talking about new life in Spring. They planted seeds in the allotment and are keen to see them grow.

After School Club

The theme for ASC has been all about recycling. The children have started making and designing posters. The winning poster will be displayed around St George's and the winner will receive a prize. Your support on this project would be appreciated.

Holiday Club

The Holiday Club have been very creative this week making flower print art, salt dough model making and making slime.

Little Dragons

They used some of their fundraising money to invite Joe from ZooLab into show the children some exotic animals. They were very brave to hold some but luckily the tarantula stayed in the box!

Kitchen

Sherrell has been busy coming up with a new St George's summer menu and will commence on Monday 4th June.

Fundraising

Lots of staff have signed up for the Run or Dye on July 2nd and have forms outside of their rooms if you'd like to sponsor them.

St George's Summer Fair

This year our fundraising summer fair will take place on Friday 20th July. If you can volunteer or would like to donate tombola or raffle prizes, please speak to the office or email

kate.foulkes@stgeorgeschildcare.co.uk
