Thank you to everyone who supported the Second Hand Children's Clothing Sale and Christmas Jumper Swap. We had an amazing amount of donations of lovely clothing. We've raised just over £200 so far, and will continue to sell the donated clothes and items at various opportunities throughout the year.

A RECAP: OUR FUNDRAISING AIMS FOR THE YEAR

OUTSTANDING CHILDCARE FOR EVERYONE

At St George's our mission statement is to provide a high standard of childcare for the local community, promoting mental, physical and spiritual wellbeing. The early years are fundamental for your child's development. Learning and playing with other children and enjoying nutritious, tasty food gives them a great start in life.

St George's gives children from all walks of life the loving, expert care they need to develop healthy relationships and valuable life skills. In fact, we are the only childcare provider in Tunbridge Wells that offers subsidised or free places for children in vulnerable circumstances.

Last year we used funds raised to purchase an interactive learning table, we completed a project to extend and modernise the 'Den Space' to create an extra play area for the children outside, and we provided 21 families in need with subsidised places.

This year we plan to:

- Improve the garden space and allotment area, creating a greener environment for the children.
- Sourcing new equipment and resources for the setting.
- Provide sufficient funds for subsidised places (to support 20+ families).

As always, we'd like to thank you in advance for your support and engagement with our fundraising and outreach opportunities. We look forward to some fun sponsored challenges and social events this year.
